Subject: RE: 45 Grey Meadow Drive subdivision

Ryan,

No specific comments or concerns from this office with respect to fire department access and water supply (NFPA 1, 2015 ed. Chapter 18 and BCO Chapter 13). Any future construction shall comply with the adopted fire and life safety codes in the State of Vermont and City of Burlington at the time of construction.

Thank you,

Subject: 45 Grey Meadow Drive subdivision

Good afternoon.

Attached is a copy of a subdivision application for 45 Grey Meadow Drive. The subdivision will create a second, vacant lot. This is scheduled for the November 7, 2018 DRB meeting. Please let me know if you have any questions or comments regarding this proposal by October 31, 2018.

Thank you.
