MOTION TO CONTINUE

Now Comes Appellant Philip Irwin Aaron and moves for a continuance of the hearing in the above matter which is scheduled for December 18, 2018.

In support of his Motion, Appellant states as follows:

1. Prior to receipt of the notice scheduling the hearing, my wife, who is 79 years of age, was scheduled for an appointment with her doctor in West Palm Beach, Florida on December 20, 2018 to monitor and evaluate her post operative surgery to repair a broken femur and to replace her hip.

2. My wife and I had previously obtained non-refundable airline tickets to fly on December 15, 2018 to West Palm Beach, Florida in order to assure she can go to her appointment with her surgeon.

3. In addition, our daughter, who lives alone with her children, will be having reconstructive surgery in the first week of January, 2019 as a result of a double mastectomy, and she will need my wife and I to care for her and her 2 minor children (ages 9 and 12) during her recovery period which is expected to last through the middle of February, 2019.

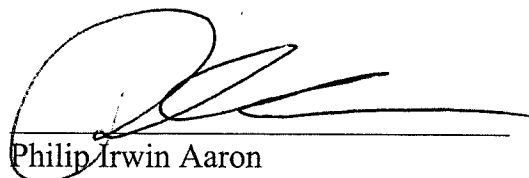

4. I will be available after the two above commitments to travel to Vermont from my home in New York City to Burlington, Vermont for my hearing.

Dated 12/5, 2018.
