Zoning Violation # 333035

UNOPPOSED REQUEST TO CONTINUE MAY 15, 2018 HEARING

Appellant WHN Properties, LLC, hereby requests that its appeal of Zoning Violation # 333035, for 19-21 South Willard Street, currently set to be heard by the Development Review Board (DRB) on May 15, 2018, be postponed. Undersigned counsel has conferred with Jeanne Francis of Code Enforcement and the City does not object to a continuance of the hearing in order to allow more time to resolve the alleged violation.

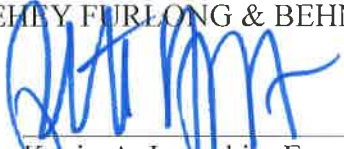

Appellant is currently working with the City to cure the alleged violation that is the subject of this appeal. In particular, Appellant has met with City staff to discuss acquisition of land from a neighbor that would allow for a zoning permit to issue. Because of the time required to finalize the boundary line adjustment and obtain all necessary approvals, Appellant requests that this Board continue the scheduled hearing to allow for that process to play out. If all goes according to plan, Appellant expects to dismiss this appeal.

Dated at Burlington, Vermont this 11th day of May, 2018.
