State-wide Catholic Cemeteries: Some charge more for non-parishioners. Some allow non-catholics if related to lot owner. Most allow any Catholic, even if non-parishioner.

Note: First indication in records that Burlington started charging more for non-residents was in 1993 (250/300).

Linda in Middlebury said most cemeteries started as Cemetery Associations, then have been taken over by town when out of funds, so towns have had to take over. They use Morgan-Stanley, Matt Smith in Burlington. All income goes to 1 fund (no separate PC). Most in Addison County are still owned & managed by Associations.

SUMMARY:

Of the 22 towns asked, 20 responded-- 10 discriminate between residents & non-residents.

Of these 10, 4 require that lot owner is or was a resident.

Of these 10, resident status is based on:

for 6: the lot purchaser's residence, but lot purchaser is considered a resident if they lived in or have family in town.

for 1: if the purchaser pays property or business taxes.

for 1: person to be interred.

for 1: the issue is currently under discussion.

for 1: the issue has not come up, but they think it would be based on the residency of the person to be interred.
