

POLICE DEPARTMENT
CITY OF BURLINGTON

PRESS RELEASE
September 22, 2019

At approximately 2233 hours [on Saturday night](#), September 21, Burlington Police received calls. At approximately 0405 hours [on Sunday morning](#), September 22, Burlington Police received a call from a person known to the department, stating that friends had informed him a transient male was unresponsive on the waterfront. Officers responded and located a deceased male white, lying in a makeshift campsite in the bushes alongside the railroad tracks at the northwest end of the parking lot at College Street and Lake Street. Police do not currently suspect foul play, but we are continuing to investigate. We are withholding the decedent's name until efforts can be made to notify family.
