NARRATIVE:

On Monday, October 14, 2019, at approximately 1436 hours, Burlington Police dispatch was notified that a male appeared to be asleep on the roof of 202 Main Street, the building that houses ESOX, Mirabelles Café & Bakery, and Mr. Mikes. Police officers responded and discovered a deceased male white, apparently in his late 20s. The on-site forensic investigation, which included two blue-topped evidence tents erected on the roof of the building in the rain, naturally occasioned some attention from our neighbors. While we cannot yet provide the male's name, we can report that we believe there is no danger to the public associated with this incident. Nevertheless, the investigation is ongoing and the department will provide updates as they become publicly available.

Anyone with further information about this incident is asked to contact the Burlington Police Department at (802) 658-2704.
