**NARRATIVE:**

The Burlington Police Department would like the Community to be aware that over the past weeks/months, various individuals have been going door-to-door in the Burlington area soliciting cash donations to purportedly support youth soccer organizations. It should be noted that local organizations such as Juba Star, Nordic Soccer and other similar organizations are not currently running donation drives and do not solicit fundraising in this way. Residents who are approached and solicited for donations in this way are reminded that they can call the Burlington Police Department at 802.658.2700 x8 to have an Officer detailed to meet with them and identify the person(s) soliciting funds.
