On February 5, 2021 Mr. Bailey will be released from the custody of the Vermont Department of Corrections. Most recently, Mr. Bailey has served a term of incarceration related to the below conviction. At this time, it is anticipated that Mr. Bailey will be living in Milton, VT upon his release.

Officials with the Vermont Department of Corrections indicate Mr. Bailey's, compared to other incarcerated offenders, risk of sexual recidivism is in the High Risk category. His risk of general criminal recidivism is in the moderate category. Mr. Bailey was convicted of a 2010 incident of Sexual Exploitation of a 14 year old female by grooming her for sexual acts over the phone while he was incarcerated. Based on his history, if he were to sexually re-offend, his victim(s) would likely be younger females known or unknown to him.
