(Right Profile)

Lee Tucker

**82 years old**

Descriptors: 5'7"/ 137pounds

Grey hair/Blue eyes

On March 19, 2021 Mr. Tucker will be released from the custody of the Vermont Department of Corrections. Mr. Tucker served the maximum sentence so he will not be under the supervision of Burlington Probation and Parole. Mr. Tucker has served a term of incarceration related to a 2005 conviction. At this time, it is anticipated that Mr. Tucker will be living in Burlington, VT upon his release.

Officials with the Vermont Department of Corrections indicate Mr. Tucker's, compared to other incarcerated offenders, risk of sexual recidivism is in the moderate/low category, but he was deemed High Risk by the Vermont DOC Sex Offender High Risk Committee. Mr. Tucker was convicted of sexually assaulting a minor. Based on his history, if he were to sexually re-offend his victim(s) would likely be females between the ages of three and fifteen that are known to him.

If you or someone you know has been a victim of sexual assault, there is support available. Even if the assault did not happen recently, there are resources to help you decide what is best for you, including free medical treatment, advocacy, and support. You do not have to go through this alone. There is a whole community ready to support you. For more information, call the state-wide confidential hotline, 800-489-7273, or see the website for the VT Network against Sexual and Domestic Violence, [www.vtnetwork.org](http://www.vtnetwork.org).

Thank you,
