On Sunday, September 12th, at about 0225 in the morning, the Burlington Police and Fire Departments responded to College Street near Church Street in Burlington for a report of an unconscious 38 year-old male who was bleeding heavily.

The fight began on Church Street and continued through the intersection of College Street, concluding near City Hall Park where the victim was rendered unconscious. While unconscious, he continued to be beaten by members of the group. The male was hospitalized with significant injuries that required surgery.
