NARRATIVE:

On July 23, 2022, at approximately 0006 hours, Dispatchers with the Burlington Police Department received a call from University of Vermont Medical Center (UVMMC) reporting that a man in his 40's had come into the emergency department with a gunshot wound and was being treated by medical staff.

Officers responded to the hospital and interviewed witnesses. Further investigation revealed the location of the shooting incident where Officers responded to, secured the scene, and gathered evidence confirming a shooting had occurred. Officers learned that two unknown males fled the scene in separate directions immediately after the shooting occurred.

The man that was struck with a bullet received non-life threatening injury. This investigation is in its earliest stages. More information will be shared as the investigation develops.

This is Burlington's 17th gunfire incident of 2022.

Anyone with information about this incident is asked to contact the Burlington Police Department at (802) 658-2704.

Information is preliminary and subject to change.
