On September 14, 2023, at approximately 9:45am, officers responded to a report of an assault and were provided a description of the male suspect. The suspect was later identified as Djibril Ngabo, 30, of Burlington.

While en route, officers were advised that Ngabo was at a new location. When officers arrived, they informed Ngabo he was being detained. Ngabo ignored officers' commands, attempted to leave, and began actively resisting officers. Ngabo grabbed an officer's vest and proceeded to bite on it. Additional officers responded to the scene, oleoresin capsicum (OC spray) was deployed and Ngabo was taken into custody.

Ngabo was transported to the BPD for decontamination and then transported by the Burlington Fire Department to the University of Vermont Medical Center for additional treatment. Once Ngabo was discharged from the UVMCMC, he was transported to the BPD for processing. Ngabo was transported to court and held on bail. Two officers received injuries as a result of the altercation.
