CITY OF BURLINGTON

**MEDIA RELEASE**

March 25, 2024

The Burlington Police Department would like to inform the public about recent reports of [AirTags](#) and other Global Positioning System (GPS) tracking devices being discovered on Vermont vehicles returning from Montreal.

This past month, the BPD has received two separate reports from Burlington residents who have discovered GPS tracking devices on their vehicles. Canadian authorities are aware of the use of such technology for criminal activity.

If you have been impacted or have any information about similar incidents, we are asking the public to please notify us so that we are able to respond and collect the device(s) as evidence.

The Burlington Police Department can be contacted at (802) 658-2704.

Thank you for your assistance.
