

# THE BURLINGTON VERMONT BIKE PATH PLAN

PAUSE PLACES CONCEPTS  
APRIL 23, 2015

# PAUSE PLACES: INVENTORY

**14 Pause Places** along the bike path will provide users with amenities to make their experience more comfortable, fun and educational.

# PAUSE PLACES: 3 TYPES

## Rest Stop

- A small-scale pause place that offers amenities potentially including benches and gateway/kiosk/signage

## Information Stop

- A medium-scale pause place that offers a variety of amenities potentially including bike racks, benches, drinking fountain, gateway/kiosk/signage

## Mini Park

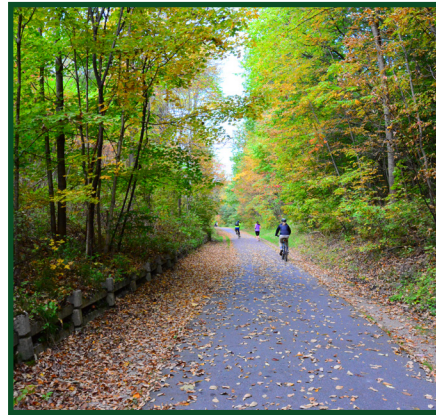

- A large-scale pause place that offers a variety of amenities potentially including recreation space, bike racks, benches, drinking fountain, gateway/kiosk/signage

# TEXACO BEACH

## **TWO OPTIONS:**

1) ASSUMES ONLY MINOR CUT/FILL WILL OCCUR TO CREATE BEACH ACCESS AND MEADOW LANDFORM.

2) ACCOMODATES SUBSTANTIAL FILL FROM OTHER PROJECT AREAS. CREATES ELEVATED RELATIONSHIP TO LAKE.
